Mission Statement

Through collaboration with diverse participants, the Partnership for the Umpqua Rivers maintains and improves water quality and fish populations from source to sea in the streams of the Umpqua. We educate people about the value of healthy streams; we work with willing landowners to improve stream conditions; we monitor the health of the streams and their fish populations. Through these actions the Partnership contributes to the ecological and economic well-being of the basin.

The Partnership for Umpqua Rivers (PUR) Finance Committee (the Committee) is established to assist the PUR Board of Directors (the Board) in: (1) overseeing the financial stability of PUR in accordance with its vision, mission and strategic goals; (2) overseeing and offering general guidance to the Fiscal Manager; and (3) providing updates and recommendations to the Board.

This Committee shall be made up of PUR Directors/Alternates and general membership. The committee will be chaired by the PUR Treasurer. Staff and interested members of the public are welcome to attend and participate in discussions.

The Committee shall meet at least quarterly or as frequently as necessary to carry out its duties and responsibilities under this Charter. The Committee will review financial reports and assist in preparing the annual budget. The Chair will work with the Executive Director to schedule meetings and develop agendas.

The Committee will review the annual operating budget prepared by the Fiscal Manager and Executive Director before it goes before the Board for approval.
